The focus of this year's event is 'everyday green living,' says Shannon. "This 'green' house will be a wonderful, informative use of design--one that executes the potential of recycled accessories, organic fabrics and sustainable furniture." The showhouse will be open from August 22 through September 6th. Tickets are \$25 and available for purchase at the Showhouse, or in advance by calling (828) 743-7710,
