Patrick McGuire says Watch for Xylitol
We have long known chewing sugarless gum was better for the dentition than traditional gums sweetened with sucrose and corn syrups. Recent studies have now shown products sweetened with artificial sweetener XYLITOL can actually have beneficial effects upon the caries rate. Watch for products with xylitol as a major ingredient and help to preserve your dental health.

Trick or Treat in Downtown Sylva on Halloween. Stay tuned for details on Treat Street on October 31st!

October 2nd from 6:00-9:00 pm

Sylva After Dark is an evening to stroll through downtown Sylva and enjoy a night of arts, dining, music, shopping, refreshments and more.
